Welcome to the Jordan-Young Institute for Orthopedic Surgery, Sports Medicine, Neurosurgery, and Physical Medicine & Rehabilitation. Thank you for choosing us to serve your orthopedic needs. It is our pleasure to assist you in improving your quality of life with medical and surgical options that will maximize your mobility and minimize your pain.

In this packet, you will find both information about our practice and forms you must complete for us to assist in your care. Please read these forms carefully and fully complete each one prior to your appointment. In addition to these completed forms, you will need to bring the following to your appointment:

- Your current insurance cards
- Photo identification
- A referral from your primary care physician, if required by your insurance carrier
- Films and reports from any pertinent diagnostic testing, such as x-rays , MRIs, EMGs, CT scans, and bone density studies
- Any co-payment and deductible payments that your insurance coverage holds you responsible for to receive care. We accept cash, check, VISA , MasterCard, Discover and American Express. Your appointment will be rescheduled if you cannot pay your co-pay before being seen.

PLEASE PLAN TO ARRIVE 30 MINUTES PRIOR TO YOUR SCHEDULED APPOI NTMENT TIME so that we can complete your registration, medical record and x-rays prior to your appointment with the physician. Even if you bring x-rays or other diagnostic tests with you, our physicians may require additional films to be taken in our office. Dress in comfortable clothing that will allow your physician to easily view the injured or painful areas of your body. While your physician strives to maintain a timely office schedule ; please realize that some wait time may occur. Our physicians will give each patient the time necessary to understand their illness or injury and the options available for treatment.

If you have additional questions about our practice, our providers or your appointment , please visit our website at www .Jordan-YoungInstitute .com. Our office number is (757)490-4802.
